We have no record of the payments in the Geoghegan v Robscot case.

Paragraph 1(a) provides for 1st payment within 14 days of settlement approval. Since the settlement was approved on 12/30/2021 the first payment would have been due on 1/13/2022 for \$9,000.00. The thirteen installments of \$750 each were to begin on 2/1/2022 and end on 2/1/2023.

This constitutes notice of default under the terms of the settlement agreement. The agreement specifically vests the District Court with the authority and jurisdiction to enforce.
